- Voting members are currently AI4EU WP-Leaders
- We should replace them with members from European AI Projects
 - ICT-38/48/49
 - ELG/ELE
 - ...
- Start a call for candidates, maybe via EC
- Finally, maybe before summer, the old voting members need to vote for the new candidates
- We should transparently document and publish the process

Next TGB Meeting

- Date 29.04.22
- Main Topic: Project ??
